News & Events at LCC and in our Community!

We empower people to live the life God made them for.

We do what we do because we believe God has called us to be a blessing to others, helping make their life better because of the love of Christ. We do what we do because we believe that when we serve others, we discover a little more what our purpose really is. Whether you are discovering God's purpose for you or you want to help others, you've found a home with us.

Live Stream Worship Indefinitely

For the foreseeable future, we will have one, live stream worship experience each Sunday at 10:15am. Sadly, that means Easter will most likely be affected, but we still have something special planned for you that morning. Also, continue praying for all the people globally who are affected by the impacts of COVID-19.
